## ***WOMEN DEVELOPMENT CELL***

**Markaz Arts and Science College, Karthala**

**For the year 2023-24.**

## **WOMEN DEVELOPMENT CELL**

Women Development Cell (WDC) has been constituted to empower and safeguard the rights of female members; faculty staff and students of College. The Women Development Cell (WDC) provides a platform to students to voice their concerns towards changing gender roles, about societal restrictions, unhealthy mindsets, legal knowledge and career issues. The Women Cell is constituted to help maintain a harmonious atmosphere at the Institute, to enable women to pursue their work with dignity and reassurance. The Cell has been working to raise awareness on gender equality issues.

**A Women Development cell is constituted at the Institution level with the objectives as follows :-**

- Identification of strong leadership and change makers and building the capacity of women.
- To promote a culture of respect and equality for female gender
- The provision of opportunities and programs for female gender to be financially, mentally and emotionally empowered so as to promote their growth as individuals in their own right
- To conduct seminar, workshop to impart knowledge of opportunities and tools available and train the women
- To inculcate entrepreneurial attitude among young girls, at the earliest so that they can be “job givers” rather than “job takers”
- To make women understand that Empowered and educated women are less likely to fall prey to sexual abuse, workplace harassment, domestic abuse many more
- To show that the Empowered women can have happier families
- To imbibe the idea that child marriage, dowry killings, discrimination, female feticide, etc., and other harmful acts can be stopped by women empowerment
